Activity Name: Navigating cultural differences: Culturally responsive practice supporting families

Learning outcomes

- Explore culturally responsive practice strategies that foster conversations grounded in families' skills and knowledge.
- Identify practice approaches that support families with diverse cultures, languages and faiths to navigate their parenting in a new country.
- Outline ways practitioners' self-reflection of their own culture can develop cultural humility, to prevent cultural bias and racism when supporting children and families

Time spent engaged in the activity:

(including completing this form)

After watching or listening to the activity, consider the following:

1. What were three key messages that were covered in the activity?

2. Identify your learning goal and how the activity's content aligned with that goal.

3. What actions are you going to take to use the learnings to improve and/or change your practice? For example:

- Explore the topic further in a supervision session or with a peer/colleague
- Identify and read the latest research
- Undertake additional courses, study or training
- Search MHPN's webinar or podcast libraries for more PD content
- Join an MHPN network to connect with other practitioners for networking, peer support or PD

4. Please note any other reflections on the topic or activity.
