Date completed:

Activity Name: Engaging mothers and children affected by family and domestic violence (FDV)

Learning outcomes Watch this facilitated panel discussion of Deanne's story be better equipped to:

- describe the impacts of family and domestic violence on mothers and their children
- identify ways of engaging mothers that limit shame and stigma
- describe the micro-skills of child-focussed practice when working with mothers and children affected by family and domestic violence.

Time spent engaged in the activity:

(including completing this form)

After watching or listening to the activity, consider the following:

1. What were three key messages that were covered in the activity?

2. Identify your learning goal and how the activity's content aligned with that goal.

3. What actions are you going to take to use the learnings to improve and/or change your practice? For example:

- Explore the topic further in a supervision session or with a peer/colleague
- Identify and read the latest research
- Undertake additional courses, study or training
- Search MHPN's webinar or podcast libraries for more PD content
- Join an MHPN network to connect with other practitioners for networking, peer support or PD

4. Please note any other reflections on the topic or activity.
