

## Promoting Healthy Sleep: recognising, responding to and treating common sleep disorders in veterans

### Continuing Professional Development Learning Record

Complete and save a copy of this form to create your own record of CPD you've undertaken or to further embed your learning. Please note, MHPN is unable to provide Statements of Attendance for viewing webinar recordings or listening to podcasts.

#### Your details

---

Your name:

---

Date completed:

---

**Activity Name:** Promoting Healthy Sleep: recognising, responding to and treating common sleep disorders in veterans

---

**Learning outcomes** Through a facilitated panel discussion of a vignette, this webinar provides the opportunity for:

- a better understanding of the types of, prevalence and risks associated with sleep disorders amongst military personnel and veterans
- a heightened awareness of the evidence based psychological and medical treatments for sleep disorders which promote healthy sleep
- increased confidence in supporting and treating veterans experiencing sleep disorders.

---

**Time spent engaged in the activity:**

(including completing this form)

---

After watching or listening to the activity, consider the following:

1. What were three key messages that were covered in the activity?

2. Identify your learning goal and how the activity's content aligned with that goal.

3. What actions are you going to take to use the learnings to improve and/or change your practice? For example:

- Explore the topic further in a supervision session or with a peer/colleague
- Identify and read the latest research
- Undertake additional courses, study or training
- Search MHPN's webinar or podcast libraries for more PD content
- Join an MHPN network to connect with other practitioners for networking, peer support or PD

4. Please note any other reflections on the topic or activity.
