MHPN WEBINAR

Practice Strategies for Working with Children with Disability

Continuing Professional Development Learning Record

Complete and save a copy of this form to create your own record of CPD you've undertaken or to further embed your learning. Please note, MHPN is unable to provide Statements of Attendance for viewing webinar recordings or listening to podcasts.

Your details

Your name:	
Date completed:	
Activity Name:	Practice Strategies for Working with Children with Disability
Learning outcomes	• Discuss the values and strategies involved in child-centred, family and communication-focused practice to support children with disability. • Outline the skills needed to help children with disability engage in conversations about their needs, interests and goals. • Identify how to help children and their family develop and maintain strong and nurturing connections through family-focused approaches. • Discuss how to help children express their hopes, values, concerns and preferences through communication-focused approaches.
Time spent engaged in the activity:	(including completing this form)

After watching or listening to the activity, consider the following:

1. What were three key messages that were covered in the activity?

2. Identify your learning goal and how the activity's content aligned with that goal.

3. What actions are you going to take to use the learnings to improve and/or change your practice? For example:
   - Explore the topic further in a supervision session or with a peer/colleague
   - Identify and read the latest research
   - Undertake additional courses, study or training
   - Search MHPN's webinar or podcast libraries for more PD content
   - Join an MHPN network to connect with other practitioners for networking, peer support or PD

4. Please note any other reflections on the topic or activity.
