

Collaborative mental health care, older people and sleep disturbance

Continuing Professional Development Learning Record

Complete and save a copy of this form to create your own record of CPD you've undertaken or to further embed your learning. Please note, MHPN is unable to provide Statements of Attendance for viewing webinar recordings or listening to podcasts.

Your details

Your name:

Date completed:

Activity Name: Collaborative mental health care, older people and sleep disturbance

Learning outcomes This webinar will help practitioners be better able to:

- develop a raised awareness of the link between mental health and sleep disturbances
- be better able to identify the key principles of the featured panellists' approach in assessing, treating and supporting people experiencing sleep disturbances
- identify the merits, challenges and opportunities in providing collaborative care for people experiencing sleep disturbances.

Time spent engaged in the activity:

(including completing this form)

After watching or listening to the activity, consider the following:

1. What were three key messages that were covered in the activity?

2. Identify your learning goal and how the activity's content aligned with that goal.

3. What actions are you going to take to use the learnings to improve and/or change your practice? For example:

- Explore the topic further in a supervision session or with a peer/colleague
- Identify and read the latest research
- Undertake additional courses, study or training
- Search MHPN's webinar or podcast libraries for more PD content
- Join an MHPN network to connect with other practitioners for networking, peer support or PD

4. Please note any other reflections on the topic or activity.
