Activity Name: The impact of Covid 19 on the Aboriginal and Torres Strait Islander LGBTIQ+SB community

Learning outcomes

- Discuss findings from Black Rainbow's research on Aboriginal and Torres Strait Islander LGBTIQ+SB people and the Covid 19 pandemic.
- Identify how the findings from Black Rainbow's research highlights the mental health and social and emotional well-being needs of Aboriginal and Torres Strait Islander LGBTIQ+SB people, including types of support that practitioners can provide.
- Identify how to improve service access for Aboriginal and Torres Strait Islander LGBTIQ+SB people.
- Outline the importance of a person-centred approach when providing care and support to Aboriginal and Torres Strait Islander LGBTIQ+SB people.

Time spent engaged in the activity:

(including completing this form)

After watching or listening to the activity, consider the following:

1. What were three key messages that were covered in the activity?

2. Identify your learning goal and how the activity's content aligned with that goal.

3. What actions are you going to take to use the learnings to improve and/or change your practice? For example:
 - Explore the topic further in a supervision session or with a peer/colleague
 - Identify and read the latest research
 - Undertake additional courses, study or training
 - Search MHPN's webinar or podcast libraries for more PD content
 - Join an MHPN network to connect with other practitioners for networking, peer support or PD

4. Please note any other reflections on the topic or activity.
