

Overcoming communication challenges to engage children

Continuing Professional Development Learning Record

Complete and save a copy of this form to create your own record of CPD you've undertaken or to further embed your learning. Please note, MHPN is unable to provide Statements of Attendance for viewing webinar recordings or listening to podcasts.

Your details

Your name:

Date completed:

Activity Name: Overcoming communication challenges to engage children

Learning outcomes

- Describe the key strengths and vulnerabilities which influence the mental health of children with complex communication needs.
- Discuss how communication difficulties in children can be interpreted by professionals/parents/family.
- Identify ways of engaging and supporting children with complex communication needs.
- Outline examples of practice which has allowed a strong focus on the mental health and social and emotional needs of children who experience complex communication need.
- Outline examples of practice that has helped parents to support their children to communicate their social and emotional wellbeing needs.

Time spent engaged
in the activity:

(including completing this form)

After watching or listening to the activity, consider the following:

1. What were three key messages that were covered in the activity?

2. Identify your learning goal and how the activity's content aligned with that goal.

3. What actions are you going to take to use the learnings to improve and/or change your practice? For example:

- Explore the topic further in a supervision session or with a peer/colleague
- Identify and read the latest research
- Undertake additional courses, study or training
- Search MHPN's webinar or podcast libraries for more PD content
- Join an MHPN network to connect with other practitioners for networking, peer support or PD

4. Please note any other reflections on the topic or activity.
