Activity Name: Radicalisation to violent extremism, fixation and grievance-fuelled violence: Navigating privacy, confidentiality and ethical challenges

Learning outcomes

- name the key principles of confidentiality, privacy and ethics when treating and/or supporting people who may pose a serious threat to themselves or others by way of radicalisation to violent extremism, fixation or grievance-fuelled violence.
- describe the key indicators and circumstances for disclosure when treating and/or supporting people who may pose a serious threat to themselves or others by way of radicalisation to violent extremism, fixation or grievance-fuelled violence.
- have an awareness of referral pathways and take appropriate steps if they are concerned that a person may pose a serious threat to themselves or others by way of radicalisation to violent extremism, fixation or grievance-fuelled violence.

Time spent engaged in the activity:

(including completing this form)

After watching or listening to the activity, consider the following:

1. What were three key messages that were covered in the activity?

2. Identify your learning goal and how the activity's content aligned with that goal.

3. What actions are you going to take to use the learnings to improve and/or change your practice? For example:

- Explore the topic further in a supervision session or with a peer/colleague
- Identify and read the latest research
- Undertake additional courses, study or training
- Search MHPN's webinar or podcast libraries for more PD content
- Join an MHPN network to connect with other practitioners for networking, peer support or PD

4. Please note any other reflections on the topic or activity.
